The following questionnaire has been created to gain information regarding the skills of our students. With this information, we will be able to create a playground space that caters for their social, emotional and physical needs. In turn, we believe that this will influence positive behaviours and interactions within the classroom, maximising their ability to focus and learn.

1. Is your child/children involved in any extra-curricular activities?
   - Sport
   - Music
   - Social group
   - Other

Please list the activities:
_________________________________________________________________________________
_________________________________________________________________________________

Please tick how many days/week they are involved in these activities
   - 1-2
   - 3-4
   - 5
   - 6
   - 7

2. How often does your child/children play outdoors during the week?
   - 0-1 hours
   - 2-3 hours
   - 3-4 hours
   - 4+ hours
3. Please indicate what (if any) play they are involved in when outdoors.

_________________________________________________________________________________

_________________________________________________________________________________

4. What do you feel are the most important issues regarding the playground at the moment?

_________________________________________________________________________________

_________________________________________________________________________________

_________________________________________________________________________________

5. Dreaming big, what would you wish for the playground for our students?

_________________________________________________________________________________

_________________________________________________________________________________

_________________________________________________________________________________

Thank you for your time in answering these questions.

We hope to use this information to support your child in their learning.
